These events offer valuable opportunities for networking, learning, and staying ahead of industry trends, so get out your calendars and book your tickets!

2024

**21<sup>-24</sup>**  
**JUL**

## World Credit Union Conference

📍 Boston, MA, USA

[The 2024 World Credit Union Conference](#) (WCUC) is where the World Council of Credit Unions & America's Credit Unions come together for an unparalleled industry event. This conference is a premier gathering for credit union professionals worldwide, offering a unique opportunity to connect and share knowledge with global credit union leaders and decision-makers. This event has around 2500 attendees, mainly CEOs, board members and operations managers.

**7<sup>-9</sup>**  
**AUG**

## Fintech Devcon

📍 Austin, TX, USA

[Fintech DevCon](#) is an event that brings together developers, product managers, and other professionals in the fintech industry to discuss the latest trends, technologies, and innovations. It typically features workshops, keynotes, and networking opportunities, allowing attendees to learn from experts, share insights, and collaborate on new ideas.

**27<sup>-28</sup>**  
**AUG**

## Fintech South

📍 Atlanta, GA, USA

[Fintech South](#) highlights Georgia's financial technology ecosystem while welcoming the global fintech community. This event covers a wide range of fintech topics, from payments and banking to AI and wealth management. Produced by the Technology Association of Georgia (TAG), it offers a fantastic opportunity to network in topic-specific groups, making meetings more relevant and focused.

**9<sup>-11</sup>**  
**SEPT**

## Bank Customer Experience Summit

📍 Charlotte, NC, USA

This summit focuses on transforming financial institutions like banks and credit unions to better serve digitally-minded consumers. This year, the [Bank Customer Experience Summit](#) will share exhibition space and some sessions with the Interactive Customer Experience Summit. Key topics at the BCX Summit include digital and mobile banking, branch transformations, and self-service banking.

**9<sup>-11</sup>**  
**SEPT**

## Finovate Fall

📍 New York, NY, USA

[Fintech Fall](#) is one of the largest and premier fintech showcases and meetings in the US, bringing together financial institutions such as banks and credit unions, investors, and fintech companies. It's an excellent opportunity to expand your fintech network. Startups can demo their products to industry experts and leaders, making it an ideal event for mutual growth and collaboration.

**16<sup>-17</sup>**  
**SEPT**

## MoneyLive North America

📍 Chicago, IL, USA

[MoneyLIVE North America](#), crafted by banks for banks, unites banking and payments leaders from the USA and Canada. With a focus on payments innovation, lending strategies, and BaaS, this event offers targeted networking through 1-to-1 meetings and roundtables. Unlike broader fintech events, it concentrates on payments and banking, providing a platform for relevant and impactful discussions on these and related topics.

**23<sup>-24</sup>**  
**SEPT**

## Payments Leaders' Summit

📍 Amsterdam, Netherlands

[Payments Leaders' Summits](#) are exclusive, private events designed for selected senior payments leaders and decision-makers. It's an excellent opportunity to learn from influential figures in the payments community about the latest trends and to be introduced to leading solution providers.

**24<sup>-26</sup>**  
**SEPT**

## CardCon

📍 San Antonio, TX, USA

[CardCon](#) is an annual conference focused on three key topics: credit cards, affiliate marketing, and consumer credit. It offers a unique opportunity to network and engage with the community of writers and bloggers (mainly for marketers) who cover the credit card and consumer credit industries, providing valuable insights and connections.

**7<sup>-10</sup>**  
**OCT**

## Jack Henry Connect

📍 Las Vegas, NV, USA

[Jack Henry Connect](#) is an exclusive annual educational conference and technology showcase hosted by Jack Henry for bank and credit union leaders. This event provides a unique opportunity to connect with Jack Henry's innovative technology partners, build relationships, foster collaboration, and explore new possibilities.

**27<sup>-30</sup>**  
**OCT**

## Money 20/20 America

📍 Las Vegas, NV, USA

[Money20/20](#) is the largest event in the US payments industry, attracting leaders from top fintech companies and financial institutions. Covering all major fintech topics, it's where the industry's most influential innovators gather to connect and shape the future of money. With a diverse range of participants including banks, payments, tech, startups, retail, fintech, and policy experts, this event offers unparalleled opportunities for networking, gaining business-critical insights, and forging new partnerships.

**TBC**  
**FEB**

## Identity & Payments Summit

📍 Tucson, AZ, USA

[The Identity & Payments Summit](#) is a leading event focusing on the intersection of identity, access, and payments. It brings together industry experts to discuss and showcase innovations in these areas, offering educational sessions and networking opportunities. The summit is designed for professionals in authentication, digital identity, access control, and payment systems, among others.

**5-6**  
**MAR**

## Payments Forum By American Banker

📍 TBD

American Banker's [Payments Forum 2024](#) conference provides an exclusive opportunity for industry professionals to learn from top executives in the payments sector. Take part in interactive sessions, inspiring keynotes, and networking opportunities with over 500 attendees to explore the latest trends in card, mobile, and digital payments, along with AI and fraud mitigation strategies.

**10-13**  
**MAR**

## Fintech Meetup

📍 Las Vegas, NV, USA

[Fintech Meetup](#) is a premier networking event in the fintech industry, gathering top US financial institutions, fintechs, investors, and established companies to drive innovation and growth. Its standout feature is a unique algorithm that schedules 1-to-1 meetings, ensuring highly relevant and productive interactions. This event is essential for forging new connections and uncovering new opportunities in fintech.

**11-14**  
**MAR**

## ICBA Live

📍 Nashville, TN, USA

[ICBA Live](#) is an exclusive community event – the largest annual convention for community banking. It brings together community banks with a shared goal of connecting, sharing ideas, and leveraging educational opportunities. Attendees can discover industry-leading products and service providers while gaining valuable insights and networking with peers.

**17-19**  
**MAR**

## CBA Live

📍 Orlando, FL, USA

[CBA LIVE](#) is the annual flagship event for the retail banking community, exclusively for members of the Consumer Bankers Association (CBA). It is where retail banking professionals gather to explore regulatory and policy issues, learn about emerging trends, and network while sharing ideas and business strategies.

**25-26**  
**MAR**

## PAY 360

📍 London, UK

[PAY 360](#) is a key event for the payments industry in the EU, bringing together the entire payments ecosystem under one roof. It attracts attendees from across the payments value chain, making it a must-attend for learning about new trends in the EU payments landscape and for building and maintaining your fintech network.

**2<sup>-5</sup>**  
**APR**

## Transact By ETA

📍 Las Vegas, NV, USA

[Transact](#) is an annual event in the US for the payments and financial services industry, attracting 3,000 professionals from merchant service providers, processors, acquirers, and the risk, fraud, and security sectors. It offers valuable insights into industry trends and opportunities to explore the latest products and innovations.

**27<sup>-30</sup>**  
**APR**

## Nacha Smarter Faster Payments

📍 New Orleans, LA, USA

[Smarter Faster Payments](#) event by Nacha features over 4,000 professionals from financial institutions, solution providers, and corporates. It focuses on payments innovation, delivering insights on real-time payments, cybersecurity, and emerging technologies. Attendees benefit from extensive education sessions, a dynamic exhibit hall, and robust networking opportunities, making it a unique platform for advancing the payments industry.

**TBD**  
**2025**

## Future Digital Finance

📍 TBD, USA

The [Future of Digital Finance](#) is an annual mid-sized event dedicated to exploring how financial service organizations are enhancing customer experience through digital strategies. This event brings together senior financial professionals specializing in innovation, CX, and digital strategy from card issuers and credit unions across America. Its intimate size makes it ideal for networking. Attendees will have the opportunity to learn about cutting-edge technologies that enhance customer experience and gain valuable insights into industry challenges and opportunities, all presented through detailed, actionable takeaways.

**TBD**  
**2025**

## Retail Banking Transformation

📍 TBD, USA

[Retail Banking Transformation](#) is an annual event centered on the future of banking branches and ATMs. It offers a valuable opportunity to explore how financial institutions can reimagine the retail banking experience for improved customer service and profitability. Join discussions with financial institutions, regulators, and service providers to foster innovation and gain a deeper understanding of consumers' financial needs and challenges.

**TBD**  
**2025**

## US Fintech Symposium

📍 TBD, USA

The annual [U.S. Fintech Symposium](#) is a premier event focusing on partnerships and growth in the fintech industry. It prioritizes meaningful conversations over traditional presentations, featuring networking events, peer-to-peer discussions, and innovative panels. Attendees include industry-leading solution providers, financial institutions, and fintech professionals. This exclusive, intimate event ensures valuable interactions and insights.
